

Dedicated to the Future of how Commercial Buildings are Developed, Designed & Operated.

Smart Building Solutions

Innovative and technology-driven. We leverage the power of automation, the IoT, data analytics, machine learning and more to transform how systems interact with each other and people.

Commercial Real Estate

We help you respond to rising demands while reaching your operational performance goals. From addressing aging HVAC infrastructure and automating controls to optimizing energy efficiency, each turnkey solution is custom to your evolving ESG requirements.

Trane Autonomous Control with Brainbox AI

Trane Autonomous Control is an artificial intelligence-enabled service that works with your Tracer® SC+ controls. Constantly observing, correcting, and improving, it's technology that never rests.

55 Water Street – A Success Story

Learn about solutions that allowed one of the biggest office buildings in New York City decarbonize 3.5 million square feet of commercial space.

Trane – by Trane Technologies (NYSE: TT), a global climate innovator – creates comfortable, energy efficient indoor environments through a broad portfolio of heating, ventilating and air conditioning systems and controls, services, parts and supply.
