

Unlock Smarter Government Infrastructure Improvements

A streamlined path to procurement with Trane & OMNIA partners.

Modernizing Public Spaces, Increasing Value

State and local agencies face complex challenges in keeping buildings efficient, sustainable, and cost-effective. Trane and OMNIA Partners offer a procurement solution designed to overcome obstacles and unlock lasting improvements.

Clearing the Path for Progress

Delays, regulations, and budget limitations shouldn't slow essential upgrades. Trane's OMNIA Partners cooperative contract streamlines purchasing, expedites timelines, and empowers public sector leaders to make vital changes with confidence.

With Trane and OMNIA Partners, you receive:

**Simplified
Procurement**

**Faster
Implementation**

**Transparent
Pre-Negotiated Pricing**

**Owner Oversight
from Start to Finish**

OMNIA[®]
PARTNERS

Current Contracts*

Trane's competitively solicited OMNIA Partners contracts satisfy most bid requirements.

Racine County Contract
HVAC Products, Installation,
Labor-Based Solutions

Region 4 Contract
Energy Solutions

Port of Portland
Energy Savings Performance
Contracting Services

* Agreements offered through OMNIA Partners, Public Sector, are competitively solicited and awarded by a public agency/governmental entity (e.g., state, city, county, public university or school district) via a thorough Request for Proposal (RFP). By utilizing a cooperative contract, agencies eliminate duplication of effort, saving valuable time, resources and money.

Delivering Results that Matter

Trane's solutions help government teams provide resilient infrastructure with measurable results—helping to cut costs, improve reliability, advance sustainability, and elevate comfort.

Performance Optimization	Energy & Cost Control	Sustainability in Action	Future-Ready Facilities	Project Support
Enhanced reliability and efficiency through continuous monitoring and proactive care	Help lower utility and maintenance costs while stretching budget impact	Help meet regulatory and environmental goals using innovative technologies and clear reporting	Integrate renewables and upgrade systems for grid independence and emergency resilience	Streamlined funding, expert installation, and lasting service

Serving a Variety of Facilities

Trane's OMNIA Partners contract supports upgrades and improvements for a broad range of public facilities, including:

- ✓ **Municipal Buildings**
(Courthouses, City Halls, etc.)
- ✓ **Public Safety & Emergency Response**
- ✓ **Parks and Recreation Buildings**
- ✓ **Community Centers & Libraries**
- ✓ **Water Treatment Plants**
- ✓ **Correctional Facilities**

→ **Simplify your next infrastructure upgrade so you can focus on what matters most: serving your community with efficient and sustainable facilities.**
