

HVAC Systems and Energy Services

Easier, simpler and quicker with cooperative purchasing

Becoming a participant of OMNIA Partners, Public Sector (and its subsidiaries National IPA and U.S. Communities) enables public agencies to drive efficiency, effectiveness and real savings with world-class government procurement resources and solutions. The entire portfolio of Trane equipment and services is available through OMNIA Partners saving time and money.

OMNIA Partners gives you greater purchasing power to unleash the potential of your buildings with Trane solutions. Trane is an industry leader in energy efficient, connected indoor comfort systems, providing full lifecycle support through a world-class services organization. Our mission is to collaborate with organizations to reduce the energy intensity of the world. Through innovative technology and unsurpassed expertise in buildings, we're helping organizations achieve real and enduring sustainability results.

OMNIA
PARTNERS

Trane® Energy Services. Trane can help you manage both energy supply and demand. Our extensive portfolio of energy services can help you navigate energy purchasing strategies, energy sourcing, storage and consumption. We're experts in a wide range of distributed energy resources using renewable energy (cogeneration, photovoltaic, biomass, biogas and wind power) to lower operating costs, reduce environmental impact and gain energy independence and resiliency. Trane is an Energy Services Company (ESCO) accredited by NAESCO® and certified through the Canadian Federal Buildings initiative.

OMNIA Partners Elevates Your Purchasing Power

Cooperative purchasing can put your best building within reach. All agreements offered through OMNIA Partners, Public Sector, are competitively solicited and awarded by a public agency/governmental entity (e.g. state, city, county, public university or school district) via a thorough Request for Proposal (RFP). By utilizing a cooperative contract, agencies eliminate duplication of effort, saving valuable time, resources and money.

Solutions | The entire portfolio of Trane products and services is included in the contract.

HVAC Systems—Scalable system solutions for maintaining ideal temperature, humidity and CO₂

Energy Services—Managing your energy supply and demand to reduce cost, optimize performance and improve sustainability

Optimized Equipment—Ductless, DX, Unitary, Air Handling, Terminal, and Chilled Water Systems

Building Services—Reliable, preventative and proactive scheduled maintenance and repair by factory trained technicians

Building Automation Systems—Making precise control easier, mobile and data-rich

Rental Systems—Promptly provides temporary, scalable HVAC and power from standard applications to complex solutions

Intelligent Services™—Monitoring and analytics to optimize your building and minimize unexpected downtime

Parts & Supplies—High performance OEM and wholesale parts and supplies to install and keep your HVAC system running
