## Pack Stock Agility® Chillers: Compact Size, Mighty Performance.

Trane's newest compact chiller is ideal for renovations and replacements, even in tight spaces.

- Water cooled and centrifugal models
- Advanced heat exchanger technology makes it up to 25% smaller than similar models
- Fits through standard 72 X 80 in. double doorways—fully assembled
- Disassembles into two pieces to fit through a 36 in. door
- IPLV rating 40% higher than ASHRAE® 90.1-2016 requirements
- Impressive part- and full-load efficiencies

Trane – by Trane Technologies (NYSE: TT), a global climate innovator – creates comfortable, energy efficient indoor environments through a broad portfolio of heating, ventilating and air conditioning systems and controls, services, parts and supply.
