

Does your site need portable HVAC?

Keep any location on your site comfortable with a portable air-cooled chiller from Trane Rental Services' Chiller Modification Program.

At Trane, we know your needs are ever changing, and sometimes that means building load requirements. Our Rental Services team offers a Chiller Modification Program for our Series R® Model RTAC chillers that allows your new equipment to become portable. So as people move about your site, so can your HVAC.

From basic to premier, there is a modification package to meet your needs.
