

Installer's Guide

Return Air/Service Wall Panel

Model BAYTMMWALLPNL1

For Air Handler Model 5TMM5

SAFETY WARNING

Only qualified personnel should install and service the equipment. The installation, starting up, and servicing of heating, ventilating, and air-conditioning equipment can be hazardous and requires specific knowledge and training. Improperly installed, adjusted or altered equipment by an unqualified person could result in death or serious injury. When working on the equipment, observe all precautions in the literature and on the tags, stickers, and labels that are attached to the equipment.

Warnings, Cautions, and Notices

Safety advisories appear throughout this manual as required. Your personal safety and the proper operation of this machine depend upon the strict observance of these precautions.

The three types of advisories are defined as follows:

Indicates a potentially hazardous situation which, if not avoided, could result in death or serious injury.

Indicates a potentially hazardous situation which, if not avoided, could result in minor or moderate injury. It could also be used to alert against unsafe practices.

Indicates a situation that could result in equipment or property-damage only accidents.

WARNING

Cancer and Reproductive Harm!

This product can expose you to chemicals, including lead, which are known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov.

WARNING

Safety Hazard!

Failure to follow instructions below could result in death or serious injury or property damage. This unit is not to be used by persons (including children) with reduced physical, sensory, or mental capabilities, or lack of experience and knowledge, unless they have been given supervision or instruction concerning the use of the appliance by a person responsible for their safety.

Do not allow children to play or climb on the unit or to clean or maintain the unit without supervision.

CAUTION

Sharp Edges!

Failure to follow instructions below could result in minor to moderate injury or property damage.

Be careful of sharp edges on equipment or any cuts made on sheet metal while installing or servicing.

Features

- Framed, louvered panel for wall-mount applications
- Includes the BAYTMMWALLPNL1 access panel frame and panel, with a white finish
- Access panel frame mounts easily to the wall

Installation

1. Verify that a structural support frame is in place for mounting the sheet-metal frame.
Refer to the required rough-opening dimensions.
2. Attach the metal frame to the wall using the eight #10-1/4 inch screws provided. Confirm that the frame is positioned with the clips at the top.

Note: Do not use the 1-1/4 inch screws in any of the clip-mounted holes.

3. Insert the tabs of the louvered panel into the bottom slots of the frame.
4. Secure the louvered panel to the frame using the two #10-3/4 inch white screws provided.

Table 1. Rough-opening dimensions

All Dimensions (inches)	Frame Outer Dimensions		Frame Rough Opening Dimensions		Air Handler Model	Style
	Width	Height	Width	Height		
BAYTMM- WALLPNL1	25.81	46.81	22.81	43.81	5TMM5	Louvered
