Trane Remanufactured OEM Compressors

Remanufactured to original equipment specifications, Trane remanufactured compressors are the gold standard. As the original manufacturer, our compressors are remanufactured to the same tolerances and standards as if they were coming off the assembly line brand new. No other remanufactured compressor comes close to the quality and reliability of Trane remanufactured units. We stand behind our products with industry-leading support and warranty coverage.

- Meets OEM specifications
- ReSpecT and Series 6000 Cast Iron Compressors
- Trane Remanufactured Screw Compressors
- 1st year System Hazard Warranty on ReSpecT® remanufactured compressors
