

AGILITY WATER-COOLED CHILLERS

Compact size without compromise

COMPACT

With their compact size, Trane Agility™ magnetic-bearing chillers provide a reliable and efficient choice for maximizing building performance.

ADAPTABLE

The Agility™ chillers fit through a standard double door (72 inch x 80 inch) fully assembled, and can be easily separated into two sections that fit through a single door (36 inch x 80 inch).

ECONOMICAL

The design of Agility™ chillers reduce installation complexities and costs, provide environmentally sustainable operation, and lead to lower operating costs.

RELIABLE

The reliability of Agility™ chillers mean lower maintenance costs and dependable operation, all backed by an optional 10-year extended warranty from Trane.

It takes appx. 4 hours to disassemble*

It takes appx. 5 hours to reassemble*

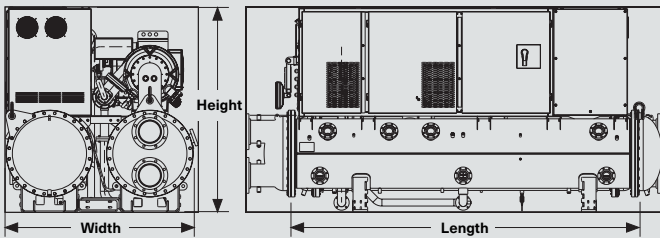

Less than 500 ton

Up to 40% more efficient

Up to 60% less time to disassemble

Unit Configuration		Base Unit Dimensions (Assembled)
