

Trane 360°™ Mobile App
360 Degrees of Access

Whatever direction your day is headed, the Trane 360™ mobile app can help. Streamline your business and processes with this convenient and easy-to-use app from Trane. Trane 360° brings together the websites and information you need all in one place.

Works Whenever, Wherever You Do

This app provides you with accurate information right at your fingertips. From rooftops to coffee shops, you can:

- Identify needed parts and purchase them directly from your mobile device
- Quickly access product information and current product literature
- Check nearest parts locations, order history and more

Available on Multiple Platforms

Trane 360° is optimized for performance on several of the most recent models of Apple® or Android™ mobile tablet devices. View product descriptions in the Apple App Store or Google Play™ Store for the most current version specs and updates. Trane 360° is a free download that requires no in-app purchases.

This application may work on older devices and software versions, but it is not optimized for performance on them. Older devices and software may encounter limited functionality and/or technical difficulties.

Keep your business pointed in the right direction.
