### Diagnostic Tools

Description	Price/ Pub Number
ECM II Troubleshooting Board/Test Harness Kit <i>Includes circuit board, wiring harness and instructions</i>	\$45.00/each 34-3403-03
ECM II Troubleshooting Test Harness Kit (no circuit board) <i>Wiring harness and instructions only</i>	\$14.95/each 34-3403-HS
Flame Current & Simulator- Display or Troubleshooting <i>Includes circuit board and instructions</i>	\$55.00/each 34-4817-02
<b>New!</b> Serial Motor Diagnostic - Go/No-Go Test Harness <i>Includes wiring harness and instructions</i>	\$14.95/each 34-3454-01
Variable Speed Outdoor Motor Tester <i>Includes 5 &amp; 6 wiring harnesses and instructions</i>	\$15.00/each 34-3406-02
Variable Speed Vent Motor Tester <i>Includes circuit board, wiring harness and instructions</i>	\$40.00/each 34-3404-01

### Diagnostic - Software - LitePort™

Description	Price/ Pub Number
LitePort™ Optical Coupler-Battery Powered (PC Only)-PROBE ONLY <i>Battery operated probe for Pocket PC or PCs that do not provide power to operate the optical probe - can be used with PC or Pocket PC/Serial Port Connector.</i>	\$89.95/each 34-3440-01
Furnace Diagnostic LitePort™ Software (PC Only) (No Probe) <i>Software for models *UY, *DY, *UXR, and *DXR (Pocket PC Only)</i>	\$69.95/each 34-3441-SW
Furnace Diagnostic LitePort™ Software (PC Only) W/Battery Probe <i>Software (with battery operated probe) for models *UY, *DY, *UXR, and *DXR (PC Only)</i>	\$149.95/each 34-3441-BP
Heat Pump Diagnostic LitePort™ Software (PC only) (No Probe) <i>Software for models WCZ, WCY, WCX and WCC (PC Only)</i>	\$69.95/each 34-3425-SW
Heat Pump Diagnostic LitePort™ Software (PC only) W/Battery probe <i>Software (with battery operated probe) for models WCZ, WCY, WCX and WCC (PC Only)</i>	\$149.95/each 34-3425-BP
Impack Gas/Electric Diagnostic LitePort™ Software (PC only) (No Probe) <i>Software for models YCZ, YCY, YCX, YCP, and YCC (PC Only)</i>	\$69.95/each 34-3426-SW
Impack Gas/Electric Diagnostic LitePort™ Software (PC only) W/Battery Probe <i>Software (with battery operated probe) for models YCZ, YCY, YCX, YCP, and YCC (PC only)</i>	\$149.95/each 34-3426-BP

### Service Manuals- Communicating Systems \*

Description	Price/ Pub Number
<b>New!</b> Communicating Controls Service Manual <i>Theory of Operation, Common Components, Sequence of Operation, Service/Troubleshooting.</i>	\$100.00/pkg of 5 34-4093-01

### Service Manuals- General \*

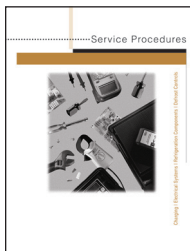

Description	Price/ Pub Number
<b>Airflow Measurement</b> <i>Airflow measurement, including static pressure sensors, measuring pressure Ps, Pt, and Pv, calculating velocity pressure by formula, and temperature rise method.</i>	\$15.00/pkg of 5 34-4051-04
<b>ECM II Electronically Commutated Motors</b> <i>Manual with information on and for troubleshooting ECM-1, ECM, and ECM-2 motors.</i>	\$20.00/pkg of 5 34-3402-04
<b>Energy Management</b> <i>Manual on energy management for comfort consultants that includes basic theory, energy savings, insulation types and properties, and "R" value.</i>	\$15.00/pkg of 5 34-4032-01
<b>Fundamentals of Electricity</b> <i>Manual on the fundamentals of electricity, including basic theory, power generation, Ohm's Law, load, and power distribution.</i>	\$15.00/pkg of 5 34-4061-02
<b>Fundamentals of Gas Heating</b> <i>Manual on the fundamentals of gas heating, including combustion, gases and piping, controls, gas valves, and venting.</i>	\$15.00/pkg of 5 34-4053-02
<b>Fundamentals of Venting</b> <i>Manual that includes vent system installation, fan assisted vent systems, power venting, sizing and designing vent systems, and more.</i>	\$15.00/pkg of 5 34-4010-03
<b>Noise Control (Outdoor Unitary Equipment)</b> <i>Many local governments are enacting noise ordinances designed to control noise sources. Outdoor air conditioning equipment is often singled out as a noise source and limitations are placed on the noise produced. This booklet demonstrates how to control this noise to stay within standards.</i>	\$15.00/pkg of 5 32-3006-03
<b>Refrigeration and Heat Transfer</b> <i>The necessity for understanding basic principles cannot be overstated. The purpose of this manual is to explain the fundamental concepts of heat transfer and refrigeration in simple everyday terms. The explanations are general in nature and are not intended as a course in thermodynamics.</i>	\$15.00/pkg of 5 34-4062-02
<b>System Charging</b> <i>This manual provides service technicians with general knowledge necessary to properly charge a heat pump or air conditioning system. It outlines in detail recommended charging procedures to be followed on all capillary tube and expansion valve systems.</i>	\$15.00/pkg of 5 34-4100-08
<b>Variable Speed II Service with Zoning Manual</b> <i>Includes information and schematics for servicing variable speed systems.</i>	\$5.25/each 22-8058-02

\* Personalize your service manuals with your company information and logo. Minimum order quantity is 250 manuals @ .35/ea. You can order a variety of service manuals to comprise the 250 minimum.

Description	Price/ Pub Number
<b>LitePort™ Furnace Manual</b> <i>Guide to LitePort (on-site diagnostic software for laptops and handheld computers).</i>	\$20.00/pkg of 5 34-3437-02
<b>Gas Furnace (Silicon Nitride Igniter)</b> <i>General features and schematics for gas furnace silicon nitride igniter models.</i>	\$20.00/pkg of 5 34-3405-09
<b>Gas Furnace (40") Operation</b> <i>Service manual for gas furnaces, a thorough understanding of the units of sequence of operation is essential. This publication is based on White-Rogers controls and provides the narrative and schematic drawings necessary to provide this understanding for these furnaces. Also included is a description of operating principles of different ignition systems.</i>	\$20.00/pkg of 5 34-4054-08
<b>Gas Furnace Operation, 1977-1991</b>	\$8.00/pkg of 2 34-4055-02

### Service Manuals- Air Conditioning/Heat Pumps \*

Description	Price/ Pub Number
<b>Compressor Service Procedures</b> <i>Basic compressor service procedures</i>	\$15.00/pkg of 5 34-4012-03
<b>Heat Pump Service Procedures</b> <i>General procedures that may be used in performing service on the various cooling and heat pump units and their components.</i>	\$15.00/pkg of 5 34-1005-03
<b>R22/R410A A/C Repair</b> <i>Basic AC repair manual</i>	\$49.95/pkg of 5 34-4085-01
<b>Compressor (Two Step Scroll) Split System</b> <i>Information on two step scroll compressor split systems, including troubleshooting on outdoor variable speed and defrost controls.</i>	\$15.00/pkg of 5 34-3445-01
<b>Dual Compressor Split System</b> <i>Manual on dual compressor split system including information on Comfort-R, piping, heat pump and cooling controls, and troubleshooting.</i>	\$15.00/pkg of 5 34-4060-04
<b>Heat Pump Defrost Controls</b> <i>Manual on heat pump defrost controls, including electronic timer time and temperature and solid state demand.</i>	\$15.00/pkg of 5 34-4101-07
<b>Heat Pump Electrical Components &amp; Circuits Defrost Controls</b> <i>Cooling, heating, and defrost cycle schematics for heat pump electrical components and circuits.</i>	\$15.00/pkg of 5 34-3408-01
<b>Heat Pump Electrical Components &amp; Circuits Demand Defrost</b> <i>Schematics and information on heat pump electrical components and circuits.</i>	\$20.00/pkg of 5 34-3409-02
